# CORNWALL ASSOCIATION OF LOCAL COUNCILS

UNIT 1/2, 1 RIVERSIDE HOUSE, HERON WAY, NEWHAM, TRURO TR1 2XN

*Serving the parish and town councils of Cornwall*

---

15 March 2019

Dear Member and Clerk,

I hope your council will once again affiliate to the Association and benefit from the support and services available to you as part of your subscription.

Membership of the Association ensures that your council remains well informed and has access to the model documents and templates developed to support your council. During the coming year the Association will also be working closely with Cornwall Council on the challenges of the upcoming community governance review process.

Membership of the Association offers:

- Access to qualified staff to give support and legal advice
- Legal Support and access to the National Association of Local Councils' team of solicitors for more in-depth interpretations.
- Training in a variety of formats, from short evening training sessions to day long training sessions and distance learning qualification courses
- Summaries, support and advice on changing legislation and new legal requirements
- Representation of the sector to inform and advise on the role of parish and town councils at county, regional and national level.
- Access to the membership area of our modern, comprehensive website with model documents, legal topic notes, briefings and items of interest.
- Conference with speakers and training sessions of interest to your members and Clerks

The Association endeavours at all times to provide a flexible service to our membership, focusing on developing new services wherever possible to meet your requirements. We hope that you will continue to support the association by affiliating once again this year.

If you have any queries about your council's membership please do not hesitate to contact me.

Yours sincerely,

Sarah Mason  
County Executive Officer

Chairman : Cllr Paul O'Brien Vice Chairman : Cllr Bob Drew County Executive Officer : Mrs Sarah Mason

Tel : 01872 272648 email : [enquiries@cornwallalc.gov.uk](mailto:enquiries@cornwallalc.gov.uk) website : [www.cornwallalc.org.uk](http://www.cornwallalc.org.uk)

*Cornwall ALC Ltd, Affiliated to the National Association of Local Councils*

**MOTIVATING AND INFORMING LOCAL COUNCILS IN CORNWALL**

**Cornwall Association of Local Councils**

- Provides a value for money quality and responsive service to 75% of Parish and Town Councils in the county.
- Runs from a small office in Truro which is manned every day.
- Is funded by membership subscriptions augmented by income generating activities, grant aid and partnership arrangements.
- Supports parish and town councils and their communities.
- An Executive Committee of representatives of member Councils oversees the strategy and functions of the Association.
- Is a member of the County Training Partnership delivering training for parish and town councillors and their staff.
- CALC Executive representation on the NALC Council and County Association Regional meetings

**The National Association of Local Councils**

- Provides the County Association with professional support in all aspects of its work.
- Provides qualified legal support via the CALC to member councils including model policies and documents
- NALC is in constant touch with Government and its agencies, representing the first tier and influencing Government policy.
- NALC, through the County Association provides member Councils with free legal advice from solicitors who are experts in law and practice.

**Benefits of Membership**

**Services to Member Councils**

- Free legal and professional advice on all aspects of Parish and Town Councils business backed up by experts at NALC.
- Regular mailings from the Association and outside bodies which are proving to be an invaluable source of advice and guidance.
- A comprehensive list of specialist publications and best practice guidance, much of which is free.
- Those on email benefit from free immediate electronic circulation of information by CALC enabling Clerks (85% of whom are on email) to manage and disseminate this information more effectively.
- CALC aims to respond to messages within one working day and correspondence within three working days.
- Free advice to Parish and Town Councils is normally provided through the Clerk; where there is a sensitive issue involving staff, then this advice can be channelled through a Councillor who has the authority of the Council.
- Discounted training fees for Clerks and Councillors.
- CALC Officers of the seven Counties in the South West provide free back-up advice service when fellow CALC Officers are on leave.
- Delivers national training initiatives and facilitates schemes including Quality Status and the Power of Well Being.

**The Good Councillor's Guide says of CALC:**

**“It is vital that your Council is a member to benefit from its services and keep abreast of changes affecting parish councils.”**

**Clerks of Member Councils**

- CALC recognises the key role of Clerks in the efficient and effective operation of their Councils.
- Member Clerks are invited to quarterly Clerks Gatherings that offer a unique opportunity for networking and development, in the interests of their Councils and communities.
- CALC has a highly qualified and experienced Clerk Mentor who also provides bespoke one-to-one discounted training sessions for Clerks and Chairmen.
- Training support for the Certificate in Local Council Administration.

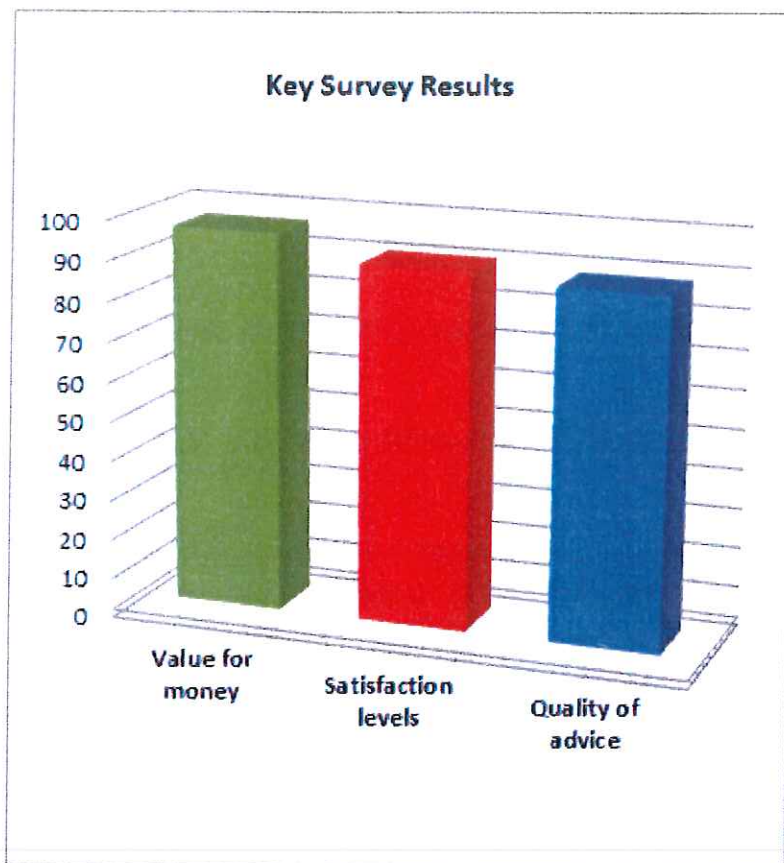

**First Tier Representation**

- CALC provides representation of Cornwall Parish and Town Councils at County, Regional and National levels.
- We meet with our counterparts in the other seven Counties in the South West Region, to ensure that there is a regional first tier structure in place to enable first tier representation on the Regional Assembly alongside Unitary, District and County Councils.
- CALC Officers from across the region and country regularly meet to discuss ways of improving service delivery.
- CALC is involved in discussions with the other tiers in the county on issues such as QPS, Parish Charter and training, bringing first tier representatives into discussions with Officers and Members of our unitary authority.
- The CALC Executive Officer is the Lead Officer for the County Training Partnership and is appointed by the CLG as Secretary to the QPS County Accreditation Panel.

## Cornwall Association of Local Councils 2018 Survey Results Initiatives and Improvements

Cornwall ALC issued a survey in 2018 to its members to solicit feedback and the following is a summary of some of the key findings.

We are delighted to report that councils using our services within the last 12 months were highly satisfied with the quality and relevance of the advice received.

Many respondents highlighted the value of CALC's role in providing members with a link to national developments, interpreting documents and making updates accessible. Other areas singled out for special mention were:

- Legal updates
- Networking with others
- Level of expertise
- Training
- Advice
- Quality of our newsletters

The survey did highlight some areas for improvement and the most important have been documented in detail below.

### **WEBSITE**

In 2018 we began work on restructuring our website to make it more user-friendly. Further work is underway with our website provider to improve the layout, navigation and document search function.

We will also be ensuring that out of date material is removed from the website in a more timely manner.

### **NEWSLETTERS and REGULAR COMMUNICATIONS**

CALC issued 9 newsletters in 2018 and we aim to publish a newsletter at least every month.

We have now provided our member local councils with direct access to the NALC website which enabled us to signpost important information in a shorter timeframe (such as regular legal updates).

Polstags Farmhouse,

Lower Amble Farm,  
Chapel Amble,  
Wadebridge,  
PL27 6EW

To whom it may concern,

This letter is regards to the bridge known as Gutt Minor, located on road section C0203 Gutt Bridge to Lower Amble.

I am writing this to request your support in either having the weight restriction lifted or the bridge upgraded. This bridge currently holds a weight restriction of 7.5tonne maximum gross weight, leaving it very limited to what can travel over it.

As a business we farm in both the Parish of St. Minver and St. Kew, and have done for over 30 years. We have one farm that is dedicated to dairy, one mostly arable and the rest beef. We have a beef farm of 273 acres at Lower Amble Farm, currently housing over 300 cattle. This includes calves, yearlings, store bullocks, fat bullocks, suckler cows and young heifers.

As a busy and growing business, we rely on outside companies to deliver various foods, fertilizers, bedding, fuel, hardcore, concrete etc to the farm at Lower Amble. This is becoming very difficult as the majority of haulage companies are using articulated lorries. These lorries cannot travel over Gutt Minor Bridge. For them to access the farm, they would need to manoeuvre their way through the village of Chapel Amble. We feel this would be very challenging and, in most cases, impossible. There are also many cars parked alongside the road, throughout the village, that would all need to be moved each time. I can only imagine that this would cause the residents and holiday visitors of Chapel Amble quite an inconvenience.

The road between Gutt Minor bridge and Chapel Amble, where Lower Amble Farm is located, is completely unusable for HGV's, articulated lorries and high-sided vehicles, due to the road being less than 3 metres wide, sharp 90-degree bends and very big, low, overgrown trees. This makes some deliveries and access impossible, causing stress for both ourselves and the haulage companies. This leads to some companies refusing to deliver to Lower Amble Farm.

The B3314 from Wadebridge to St. Minver is often an area that causes traffic problems, especially in the summer months. The sharp corner at Gutt Bridge can be underestimated and then leaving a collision at the bottom of the road. There have been several of these incidents, one even resulting in a death. Last year, there was a very serious accident at Trewornan, resulting in the road being closed for the majority of the following day. The B3314 is notorious for accidents! In these awful circumstances, the road, travelling over Gutt Minor Bridge, is used as the diversion. This becomes extremely busy and often known as a 'rat run'. This is only a solution to vehicles that are under the weight limit of 7.5tonne maximum gross weight. Any vehicles heavier than this, either need to turn around (which is very unlikely considering their size) or sit and wait for the road to be cleared and opened again. This can take a long time, depending on the severity of the incident.

We feel that by either lifting the weight restriction or by upgrading the bridge, these foreseeable problems could be avoided.

We live within the Parish of St. Kew but understand that the bridge is within the Parish of St. Minver Highlands, hence why it has been forwarded and sent on to the relevant representatives.

Thank you for your time in reading this letter, and we look forward to hearing from you.

Yours sincerely,

Mr Steve Dally
